SRC-Membership Recruitment Awards

Greetings SRC Chapter Presidents,

1. Over the past few years the Blue Knights LEMC along with the Southern Regional Conference have had a decrease in overall members. Although some of the SRC chapters have shown an increase in membership, the entire SRC has shown a membership decrease.
2. To help us increase our membership the SRC requests that all members continue to identify ways to recruit new members for their chapters. The SRC Chapter Presidents and Executive Board realize that the recruitment of new member's take time and patience in answering questions and providing information to prospective members. Therefore, the SRC has implemented the following procedure which was voted on at the President's meeting in Stone Mountain, Georgia on July 18, 2018. This procedure will take effect immediately and will be retroactive back to January 1, 2018.
3. The SRC will award \$100.00 to the SRC member that recruits the most Regular or Associate members within a 1-year period. In addition, a \$50.00 award will be given to the member that brings in the youngest Regular or Associate member.
 - a. SRC Chapter President's are requested to maintain a record of his/her new members and the member that recruited them.
 - b. The recruiter MUST sign the application in the appropriate location on the membership application to obtain credit for the new member.
 - c. Chapter President's or Vice President's will submit the name of their member with the highest number of new Regular or Associate member along with the name of their member that recruited the youngest Regular or Associate member.

4. This information will be submitted to the SRC Vice Chairman no later than the December 31 of the requesting year.

Below is the suggested format for the submission of the above information.

| Chapter No. | Recruiting Member Name | New Member Name | Age of New Member | Associate or Regular Member |
|-------------|------------------------|-----------------|-------------------|-----------------------------|
| | | | | |

5. The SRC Executive Board will review the information received and notify the chapter with the highest number of new Regular or Associate members. The recruitment award will be given in January of the following year (2018 award will be given January of 2019).

Please note: It is possible that a member recruits the most members and the youngest member, entitling him/her to win both awards.

In addition to the above procedure, it is suggested that chapters consider paying the dues for the year of the member that brings in the most members for their chapter.

Note that this is only a suggestion and would be up to each chapter to implement this. Also, the chapter would still be responsible to pay the dues to International for this member.

Submitted for your information,

Steven Confino
